Announcement for Reallocated Funds in the amount of \$257,309

What is reallocation?

Reallocation is when a CoC shifts funds in whole or part from existing eligible renewal projects to create one or more new projects without decreasing the CoC's Annual Renewal Demand. New projects created through reallocation must meet the requirements set forth in the NOFA and the project eligibility and project quality thresholds established by HUD in Sections V.D-G of the NOFA.

What Project types are available?

In the FY 2016 CoC Program Competition, CoCs may use reallocation to create:

- New permanent supportive housing projects where all beds will be dedicated for use by chronically homeless individuals and families, as defined in 24 CFR 578.3.
- New Rapid re-housing to serve homeless individuals, families and unaccompanied youth coming directly from the streets or emergency shelters or persons that meet the criteria of paragraph (4) of the definition of homeless

How to apply for funds?

All Agencies/Organizations in good membership standing with ECHO may apply for reallocated funds. This year the reallocated funding is in the amount of \$257,309. Please read the 2016 NOFA for the CoC Program Competition and e-snaps Instructional Guide: New Project Application for more information on how to apply.
